Under 9 League

Unfortunately, due to lack of available players we have had to withdraw from the Under 9 League for this season. However, there will be hopefully opportunities to play in cup matches and tournaments so we will keep you informed.

We will also be organising some friendly fixtures, using players from both the Under 9 and Under 8 teams, so hopefully there will be plenty of opportunities to play matches in the coming months.

We are also on the look out for a new permanent manager for the Under 9 age group. If you know of anyone who may be interested please do contact us.

New Website

Our new website has been launched (as per the address above). Please do take a look. The website features events, results and fixtures and other useful information.

Events

1. From 6 September there are 'Specialised Goalkeeper Training' sessions at Bucklers Mead. Designed for boys and girls aged 8-16 years, this is specialised Monday night goalkeeper training. Cost £4.50 per session, further details on our website.
2. Education 4 Sport Development Squad- Following the success of the Education 4 Sport ("E4S") Football School held in August, E4S are organising a Football Development Squad at Wincanton, Moor Lane facilities.

Working alongside WTYFC and Wincanton Town FC, they aim to provide an additional weekly coaching session to all players of the local surrounding areas.

This will be for both boys and girls in the age range of 6 - 16. They will be offering 6 sessions per half term and for those attending, will be entitled to discounts of up to 10% off their Holiday Soccer school. Please visit our website for more details.
